

BAND BOOSTER ORGANIZATION

Welcome to the Kelly Lane band booster organization. Our band parents operate under the umbrella of the Hendrickson Band booster organization and we encourage parents to become involved in the activities of each organization. The KLMS band parents will meet next Thursday (Sept. 6th @ 7:00) for an organizational meeting. During the year, we will have additional meetings as needed. The HHS band boosters meet the last Tuesday of each month and all parents are welcome and encouraged to attend.

During the football season, the Hendrickson parents have agreed to operate the concession stand each week for the KLMS football games and the Kelly Lane parents will staff the home HS varsity games. This will allow parents an opportunity to watch their kids perform.

In order for us to manage the concession stand, we need for parents to choose **two** games (they need 21 per shift!). It could be two parents at one game or one parent at two games, but either way, we will need the help to make it work smoothly. If you have both HS and MS band members, you will need only work one game because the HHS boosters are also asking you to help staff the KLMS concessions. We have a great fundraising opportunity---we only ask for a bit of your time. (no experience required and you will get into the game for free!)
