

PRIVATE LESSONS

Kelly Lane Middle School offers a full staff of experienced private lesson instructors. These highly qualified teachers are specialists on their particular instruments. Private lessons offer each student the opportunity to study at their own pace. If students need extra assistance on fundamentals or if the student feels they would like to push forward into upper level studies, the teachers will take them at their individual pace and help to supplement their daily assignments. The lessons are \$15.00 for approximately twenty-five minutes. They are held in the practice rooms located outside of the band hall. Most private lessons are offered once a week during the student's band class or advisory period, but some might also be scheduled before or after school.
